# ADDLESHAW GODDARD CLIENT PUBLICATIONS

Addleshaw Goddard produces a range of publications which deliver commercially informed advice to our clients. These include briefings on key legal issues and newsletters on industry developments prepared by our legal experts, and sector and legal update updates produced by our Research & Knowledge Services team.

We post many of these updates on our website - view the latest articles [here](#). And our people often share legal updates on their own LinkedIn feeds - please follow your AG contacts on LinkedIn to stay up to date with the latest articles and insights.

We also offer a range of updates via email. Our email publications are listed in this document, arranged by legal topic. If you would like to receive an update via email, please contact your usual AG contact or email Research & Knowledge Services ([researchservices@addleshawgoddard.com](mailto:researchservices@addleshawgoddard.com)).
