

MANAGING RISK WITH THE PARTIES YOU CONTRACT WITH

We offer a training session brought to you on identifying and managing risk in the parties you contract with, be that within your supplier or customer base.

This interactive session has been developed by our Business Support and Restructuring team who work closely with lenders and insolvency practitioners, and so can offer an invaluable legal and practical insight into how to minimise risk to your business from counterparty insolvency.

The session will cover the following areas

This insight session is free of charge and will be of interest to procurement, risk, legal, finance and credit control teams.

If you would like us to run a session for you please contact Emma Sadler on 0113 209 4945 or emma.sadler@addleshawgoddard.com
